TUBING STAPLER

The best staple gun for securing tubing without puncturing it.

DUCT FINDER

Make a two-person job easy enough for one, with this helpful tool that emits a sound to help you map out ductwork.

AIRFLOW INDICATOR

Useful for pump diagnostics.

EZY HUB

Arzel's air distribution reservoir, an alternative to using tees to group together zone tubes.

TOOL CASE

Everything's packed in a convenient case with foam protection to keep your tools from being damaged or lost.
